

**VETERANS' ROCK** is a nonprofit organization created solely to help veterans in need and their families with clothing, personal care items, food, household goods, small apartment-size furniture, gas and food cards, and homeless gear. We can help with travel expenses, rent, monthly bills, auto repairs, brief hotel stays, or emergency expenses--one time. We have a shower and a washer and dryer for veteran in need to use. We have in-house computers so veteran can get on line to apply for jobs, conduct business, and attend virtual medical appointments.

There is no other nonprofit in our community that offers all these things, in one place, completely free to veterans in need and their families. We are here to offer a temporary helping hand when they are struggling to make ends meet.

Goals for future assistance are to offer much needed transportation and veterinarian care.

Proceeds from our thrift store help to pay our rent and utilities.
